## Erasmus + e-Skills Meets in Suceava, Romania

• Partnership Planning Meeting, ACDC, Suceava

The second programme planning meeting of the e-Skills for Inclusion took place in Suceava, Romania Ireland in May 2017. Hosted by the our partner ACDC, the group met to further implement the project plan and the activities which will take place over the next 3 years. Each partner had carried out research and training needs analysis exercises in each country to determine and inform the outline training content.

Modules were finalised, with each partner taking ownership of modular content, in line with their expertise and subject specialisms.

The partnership was formed through previous transnational project work which the groups have worked together on, to provide quality innovative training opportunities for adult learners.

The partner groups are:

- Kilcooley Women's Centre, Northern Ireland
- ACDC, Suceava, Romania
- ARCI, Florence, Italy
- Esplai, Barcelona, Spain
- ANBPR, Bucharest, Romania
- Global Libraries, Bulgaria

• Partnership active support for Suceava Kindergarten project

• Group Networking Dinner

## Building Strong Relationships

The partnership thrives on good relationships, trust and mutual understanding. To reinforce the learning, build transferrable skills in language, the networking events are key in any successful project. It enables cultural learning, embracing diversity and European co-operation. Our Romanian hosts ACDC, have extensive expertise in hosting and delivering transnational programmes. Networking enabled other key training and education stakeholders from Suceava to maximise European co-operation.

# Development of Key Training Content

• *Developing Bespoke Training Modules*

The central theme of the e-Skills programme is the development of a digital skills training programme which is appropriate to citizens in each partner country.

The training will be designed to encourage and educate disadvantaged people in the key benefits of digital technology. In addition to day to day benefits of online shopping, the high level impact we want to achieve is active contribution to EU 2020 and addressing the digital disadvantage experienced by many, and to open access to the open source training available via the Erasmus+ platforms..

## Project Outputs

The European Commission support for the production of this publication does not constitute an endorsement off the contents which reflects the views only of the authors and the Commission cannot be held responsible for any use which may be made of the information contained therein.

# Host Partner Profile

Asociația Consultanților în Dezvoltare Comunitară

The mission of the Association is to support community development through advisory activities in key areas for sustainable development. The objectives of the Association are to solve the problems of community interest and human resource development through the elaboration, organization, implementation and financing of specific programs, consultancy, strategies for associative structures, individuals, legal entities of public and private law.

ACDC has extensive transnational co-operation in multiple EU funding programmes and were a key stakeholder in the World Bank digital skills initiative in Romania.

## Next Meeting – Florence, Italy

Duomo, Florence

The next partnership meeting will be held by our Italian partner ARCI. Based in the north of Italy, Florence, capital of Italy's Tuscany region, is home to many masterpieces of Renaissance art and architecture. One of its most iconic sights is the Duomo, a cathedral with a terracotta-tiled dome engineered by Brunelleschi and a bell tower by Giotto. The Galleria dell'Accademia displays Michelangelo's "David" sculpture. The Uffizi Gallery exhibits Botticelli's "The Birth of Venus" and da Vinci's "Annunciation."

Co-funded by the Erasmus+ Programme of the European Union
